

Zephyry Song

Am G Em F x2

[Verse]

Am G
Can I get your hand to write on. Just a piece of leg to bite
on

Em F
What a night to fly my kite on. Do you want to flash your
light on

Am G Em
Take a look it's on display ... for you. Comin' down, no not
F
today

Am G
Did you meet your fortune teller. Get it off with no
propeller

Em F
Do it up, it's on with Stella. What a way to finally smell
her

Am G Em
Pick it up, but not to strong ... for you. Take a piece and
F
pass it on

[Chorus]

D G A
Fly away on my Zephyr. I feel it more than ever

D G A
And in this perfect weather. We'll find a place together

Am G Em F
Fly on ... my wind

[Verse]

Am G
Rebel and a liberator. Find a way to be a skater

Em F
Rev it up to levitate her. Super friendly aviator
