

Rebel Rebel

D **E**
You've got your mother in a whirl
D **E**
She's not sure if you're a boy or a girl
D **E**
Hey babe, your hair's alright
D **E**
Hey babe, let's go out tonight
D **E**
You like me, and I like it all
D **E**
We like dancing and we look divine
D **E**
You love bands when they're playing hard
D **E**
You want more and you want it fast

[Bridge]

A **D**
They put you down, they say I'm wrong
Bm **E**
You tacky thing, you put them on

[Chorus]

D **E**
Rebel Rebel, you've torn your dress
D **E**
Rebel Rebel, your face is a mess
D **E**
Rebel Rebel, how could they know
D **E**
Hot tramp, I love you so

D **E**
You've torn your dress, your face is a mess

You can't get enough, but enough ain't the test

D **E**
You've got your transmission and your live wire

D **E**
You got your cue line and a handful of ludes

D **E**
You wanna be there when they count up the dudes

D **E**
And I love your dress

D **E**
You're a juvenile success

D **E**
Because your face is a mess

D **E**
So how could they know

D **E**
I said, how could they know

Rebel Rebel
