

Dancing With The Dead

[Intro]

Em C D Em C Am Em C Am Em

Em

Bm

Long ago in a time of twilight Seven sins, seven hearts on strife

Em

D

Bm

Lost her way in a storm of rivals Stay safe at night, come home alive

Em

Bm

Years ago in a dome at midnight Innocent and immaculate

Em

D

Bm

Fold her hands on the holy altar A masquerade, all out of fate

C

Am

B7

And on her way to hell betrayed her Christ Then she went

[chorus]

Em

C

D

Dancing with the dead Lost the lord and the spiritus sanctus, raving

Em

Dancing with the dead

Am

D

B7

Fell in love with the temper of twilight, lust and evil powers

Em

Bm

Long ago on a tale of moonlight Painted lines of the pentagram

Em

D

Bm

Holy words all are long forgotten The spell is cast, the dread is done

Em

Bm

Hail the goat, to the night surrender By the glow of the morning star

Em

D

Bm

No way back from the night remember All merciless and sinister

C

Am

B7

And on the way back home forsake the skies Then she went

Dancing With The Dead
