

## It's Too Late

**F#m B7**

**F#m**

**B7**

Stayed in bed all morning just to pass the time

**F#m**

**B7**

There's something wrong here, there can be no denying

**F#m**

One of us is changing

**Em**

**D**

Or maybe we just stopped trying

**G**

**D**

And it's too late, baby, now it's too late

**G**

**D**

Though we really did try to make it

**G**

**F#m**

Something inside has died

**Bm**

**E**

And I can't hide and I just can't fake it

**F#m**

**B7**

It used to be so easy living here with you

**F#m**

**B7**

You were light and breezy and I knew just what to do

**F#m**

**Em**

**D**

You look so unhappy and I feel like a fool

**G**

**D**

And it's too late, baby, now it's too late

**G**

**D**

Though we really did try to make it

**G**

**F#m**

Something inside has died

**Bm**

**E**

And I can't hide and I just can't fake it

## It's Too Late

There'll be good times again for me and you

**B7**

But we just can't stay together, don't you feel it, too

**F#m**

**Em**

**D**

Still I'm glad for what we had and how I once loved you

Chorus:

**G**

**D**

And it's too late, baby, now it's too late

**G**

**D**

Though we really did try to make it

**G**

**F#m**

Something inside has died

**Bm**

**E**

And I can't hide and I just can't fake it
