

There's a guy works down the chip shop swears he's Elvis

**A**

Oh darling why d'you talk so fast

**E**

Another evening just flew past tonight

And now the daybreak's coming in

**A**

And I can't win and it ain't right

You tell me all you've done and seen

**D**

And all the places you have been without me

Well I don't really want to know

**A**

But I'll stay quiet and then I'll go

**E**

**A**

And you won't have no cause to think about me

**A**

**D**

There's a guy works down the chip shop swears he's Elvis

But he's a liar and I'm not sure about you

**A**

Oh darling you're so popular

**E**

You were the best thing new in Hicksville

With your mohair suits and foreign shoes

**A**

Lou says you changed your pickup for a Seville

And now I'm lying here alone

**D**

'Cause you're out there on the phone to some star in New York

I can hear you laughing now

**A**

And I can't help feeling that somehow

There's a guy works down the chip shop swears he's Elvis

**E** **A**  
You don't mean anything you say at all
