C G D Em
You were in college working part time waiting tables
C G D
left a small town never looked back
C G D Em
I was a flight risk with a fear of falling
C G D~~~
wondering why we bother with love if it never lasts
C G D
I say can you believe it?
C G D
As we're lying on the couch
C G D
The moment i could see it
C G D
yes yes i can see it now

Chorus:

C G
Do you remember we were sitting there by the water
D Em D
you put your arm around me for the first time
C G
you made a rebel of a careless man's careful daughter
D Em D
you are the best thing that's ever been mine

C~~~

C G D Em
Flash forward and we're taking on the world together
C G D
And there's a drawer of my things at your place
C G D Em
You learned my secrets and you figure out why i'm guarded?

You say we'll never make my parents mistakes
C G D
We got bills to pay
