Hate casts a long shadow

I know that I lie in it

And let it rule my mind from time to time

Escaping an old battle

G Am G

Clings on like a vine to me

F C G

Whispers dirty lies in my ear (and I know)

We didn't start this fight

C E7

And I won't let it rule my heart tonight

[Chorus]

I can change

G Am G

I can still change

F C G

I can still change

F C G Am G F C G Am G

Tracing an old pattern

G Am G F C G

Am G

Drawing the lines from where I am, and from where I wanna be

Forget that old adage

G **Am** **G** **F** **C** **G**

That history continues to keep us from the world we wanna see

I am scared that I won't get it right

But fear won't rule my heart tonight

I can change

I can still change

I can still change

I can still change
