**Bm** **F#m** **E** and so on... )

God damn this dusty room, this hazy afternoon  
I'm breathing in this silence like never before  
This feeling that I get, this one last cigarette  
As I lay awake and wait for you to come through the door.  
Oh maybe, maybe, maybe, I can share it with you  
I behave, I behave, I behave, so I can share it with you.

[Chorus]

**Bm** **F#m**

You are not alone dear loneliness

**G** **E**

You forgot, but I remembered this

**D** **F#m** **E**

Oh stranger, stranger, stranger, things have happened I know

**Bm** **F#m**

I am not alone dear loneliness

**G** **E**

I forgot that I remembered this

**D** **F#m** **E**

Oh stranger, stranger, stranger, things have happened I know

We'll dream about somewhere our smoke will fill the air  
As I lay awake and wait for you to walk out that door  
I can change, I can change, I can change, but who you want me  
to be

I'm the same, I'm the same, I'm the same, what do you want me to be

[Chorus]

**Bm** **F#m**  
You are not alone dear loneliness
