We've been training for years

(**F#m**)

Now we're ready to strike

D **E** **F#m**

As the great operation begins

(**F#m**)

We're the first wave on the shore

(**F#m**)

We're the first ones to fall

D **E** **F#m**

Yet soldiers have fallen before

F#m

In the dawn they will pay

(**F#m**)

With their lives as the price

D **E** **F#m**

History's written today

(**F#m**)

In this burning inferno

(**F#m**)

Know that nothing remains

D **E** **F#m**

As our forces advance on the beach

Bm **D (D5)**

Aiming for heaven though serving in hell

C#m (C#m7/C#m*) **E**

Victory is ours their forces will fall

Used to this kind of war

D E F#m

Crossfire grind through the sand

Our orders were easy

(**F#m**)

It's kill or be killed

D E F#m

Blood on both sides will be spilled
