

## [Verse 1]

**E** **C#m**  
 I don't know what it is that makes me love you so  
**E** **C#m**  
 I only know I never wanna let you go  
**A** **B** **F#m** **B**  
 'Cause you started something Oh, can't you see  
**E** **C#m**  
 And ever since we met, you got a hold on me  
**A** **B**  
 It happens to be true  
**A** **B** **E**  
 I only wanna be with you

## [Verse 2]

**E** **C#m**  
 It doesn't matter where you go or what you do  
**E** **C#m**  
 I want to spent each moment of the day with you  
**A** **B** **F#m** **B**  
 Oh, look what has happened with just one kiss  
**E** **C#m**  
 I never knew that I could be in love like this  
**A** **B**  
 It's crazy but it's true  
**A** **B** **E**  
 I only wanna be with you

## [Chorus]

**C** **E** **A** **E**  
 You stopped and smiled at me, asked me if I cared to dance  
**B** **G#m** **C#m** **F#** **B**  
 I fell into your open arms and I didn't stand a chance  
**E**  
 Now listen honey

## [Verse 3]

**E** **C#m**  
 I just want to be beside you everywhere  
**E** **C#m**  
 As long as we're together honey I don't care  
**A** **B** **F#m** **B**  
 'Cause you started something, Oh, can't you see  
**E** **C#m**  
 And ever since we met, you got a hold on me  
**A** **B** **A** **B** **E**  
 No matter what you do I only wanna be with you
